

Climate Change Congregational Resolution

May 2019

Be it resolved that the congregation of the Birmingham Unitarian Church (BUC) favors:

- 1. Public policy actions to lower greenhouse gasses quickly*
- 2. Recognition that fossil fuel pollution causes far-reaching negative health consequences*
- 3. Speedy transition from use of fossil fuels to renewable energy by individuals, corporations, state and local governments*
- 4. Participation in the fast-evolving non-carbon economy. To bring our actions into alignment with our position, BUC will:*
 - Endorse the Energy Innovation and Carbon Dividend Act as introduced in the 116th Congress of the United States*
 - Provide educational programs on*
 - use of fossil fuels, their impacts, and alternative energy sources*
 - environmental justice and collaboration with frontline communities*
 - Renew commitment to BUC's Green Sanctuary ministry.*
